

RSL Star Award (Star 2)

Assessment task: Exploring Pop Culture

Pop Culture is the art, music, dance, books, fashion films and other trends that are popular right now.

Mini fact: Pop is short for popular.

What are your interests?

Talk to your teacher about popular trends in your Star Award subject, especially the ones you are most interested in. Decide on how to explore your pop culture interest further. Here are some ideas:

- Learn a dance from Tik Tok and perform it to your teacher
- Draw yourself in the style of Banksy
- Learn part of a pop song on your instrument
- Act out a scene from a movie

Whatever you do have fun!

Keep a record of what you did. It could be a photo or video of the activity. Alternatively, you or your teacher could create a written or audio description of what you did.
